Dear friend:

During the month of August my brother, Carl Alexis, and I will give a series of concerts in your locality and we should be pleased to render a program in your church also. The program is varied and consists of vocal solos, piano and organ solos and duets, flute solos, etc.

The terms for the concert are twenty dollars and one third of the remainder. In case the proceeds do not reach the above stated amount you are under no obligation to make good any deficit. We furnish tickets, posters for advertisement and printed programs. The congregation will please entertain us during the visit.

Kindly let me hear from you at your earliest convenience.

Sincerely yours,
